To the Congregation of Pleasant Hill Baptist Church,

The Elder Board met last night and after much prayer and discussion about Covid-19 concerns have agreed to make some adjustments to our current plan. We realize that there are opinions on both sides of the (mask/no mask) discussion, but we wish to respect others by helping to reduce the spread of the virus.

We will be requiring people to wear a face covering. A mask or face shield must be on when entering the church building. There will be masks or face shields provided should you not have one. Pews will be returned to the original alignment so seating will allow for better distancing.

We are working on Livestream capabilities that could be viewed in the Fellowship Hall. This would allow us to utilize it for a social distancing option for those who are not able to wear a mask or face shield.

Our goal as an Elder Board is to always honor God's Word.

"And let us consider how to stir up one another to love and good works, not neglecting to meet together as is the habit of some, but encouraging one another and all the more as you see the Day drawing near." Hebrews 10:24-25 ESV

Feel free to contact any one of us if you have questions or concerns.

In Christ,

Your Elder Board
